No Turbines Potentially Visible

- 1 - 10
- 11 - 20
- 21 - 30
- 31 - 40
- 41 - 49

Note: This ZTV map has been generated with ESRI's ArcMap 10.3.1, with the Spatial Analyst/Viewshed tool, from a Digital Terrain Model (DTM), which represents an unrealistic bare-ground scenario that tends to over-represent visibility because it does not take account of screening by the likes of vegetation and built development.
