

Addendum to the
Natura Impact Statement

NISA
North Irish Sea Array

Preface

Contents

Volume 1: Main Report

Natura Impact Statement: Main Report	1
--------------------------------------	---

Volume 2: Natura Impact Statement Appendices

Book 1 of 2

Appendix A1 - Key Personnel	1
Appendix A2 - Integrity Matrices	8
Appendix A3 - In-combination long list	115
Appendix A4 - Benthic Ecology Survey Report 2025	203
Appendix A5 - Breeding Bird Survey Effort and Results	324
Appendix A6 - Wintering Waterbird Survey Effort and Result	330
Appendix A7 - Design Refinement	341
Appendix A8 - Offshore Environmental Management Plan	363
Appendix A9 - Onshore Construction Environmental Management Plan (CEMP)	419
Appendix A10 - Marine Mammal Mitigation Protocol	519
Appendix A11 - Marine Physical Processes Numerical Modelling	545
Appendix A12 - Supporting Assessment Sensitivity Studies	578
Appendix A13 - North Irish Sea Array: Underwater Noise Assessment	663
Appendix A14 - Offshore and Intertidal Ornithology Technical Baseline	688

Book 2 of 2

Appendix A15 - MRSea Modelling for Offshore Ornithology	951
Appendix A16 - Fish and Shellfish Baseline Characterisation	1176
Appendix A17 - Offshore and Intertidal Ornithology Displacement Analysis	1260
Appendix A18 - Offshore and Intertidal Ornithology Apportioning	1338
Appendix A19 - Offshore Ornithology Collision Risk Modelling Assessment	1358
Appendix A20 - Offshore and Intertidal Ornithology Population Viability Analysis	1411
Appendix A21 - Additional Guillemot Ecological Evidence Note	1446
Appendix A22 - Senior Legal Counsel Opinion on NPWS Submission	1470

Appendix A23 - Offshore Ornithology Migratory Collision Risk Modelling: Irish East Coast	
Phase One Offshore Wind Projects Cumulative Assessment	1489
Appendix A24 - Migratory Bird Survey Report 2026	1532
Appendix A25 - Temporary Threshold Shift Position Statement	1619
